

Little Bee Craft Boutique

in connection with
SPRINGVILLE ART CITY DAYS

GENERAL INFORMATION

The **Little Bee Craft Boutique** is excited to partner up with the **Springville Art City Days** to present the first ever exclusive Craft Boutique in downtown Springville! The **Art City Days** has been going on for over 50 years and has increased its attendance every year! In connection with the **Springville Art City Days**, there will be a parade, concert, picnics, children's activities and a carnival.

The **Little Bee Craft Boutique** in connection with the **Springville Art City Days** will have the street of 200 South and just east of Main Street blocked off for our Craft Vendor Booths. There will be back to back booths down the center of the street and a row on each side. All vendors must have someone stay in their booths the entire time the Boutique is open. We are not responsible for stolen products. You can not leave the show or take down early! No vehicles will be allowed on the street during non-setup/take down times.

Security will be monitoring the premises the night of Thursday, June 12th after set up and after the show on Friday, June 13th. You will not be allowed to bring your vehicles in to load your products up each night.

We have 10 x 10 booths that include a pop up tent for every vendor. The **Little Bee Craft Boutique** will be responsible for the set up of these pop up tents. You will be responsible for bringing any walls, tables and anything else you need to make your booth attractive.

The **Little Bee Craft Boutique** will send vendors a confirmation email within ten business days of receipt of form and payment. Before the event, we will mail a vendor's packet that will include a map of the booth layout, your booth number, and any posters or flyers you may have requested to help promote the fair.

All vendors will sell from their booth and will need an event tax license. The Utah State Tax Commission will be at the event. They will give each vendor selling at the fair a free events tax license and answer any questions.
